EXHIBIT IN CINCINNATI

Energy Exchange 2022 is a unique opportunity to make a lasting impression on government leaders and decision-makers from across the U.S. Exhibiting at this innovative Trade Show gives your company access to over 2,000 facility, energy, fleet, and water managers ranging from military and federal personnel to State and Local planners and buyers – all looking for ways to cut costs, improve outcomes, and boost efficiency and resiliency.

Don't miss this opportunity to meet qualified resource managers and grow your business exponentially.

WE ANTICIPATE OVER

2,000
ATTENDEES
IN 2022

TOP REASONS TO EXHIBIT

- Connect with resource managers at the federal, state, and local levels.
- Understand what government customers want and need.
- Hear about emerging energy trends in the government sector.
- Hold strategic meetings with current customers.
- Meet potential new customers.
- Generate leads to follow the rest of the year.
- Create awareness of your newest technologies and services.
- Showcase leading edge innovations.
- Demonstrate your products.
- Announce new programs or products.
- See what other industry leaders are doing.
- Position your company as a leader in the energy sector.

ATTENDEE PROFILE

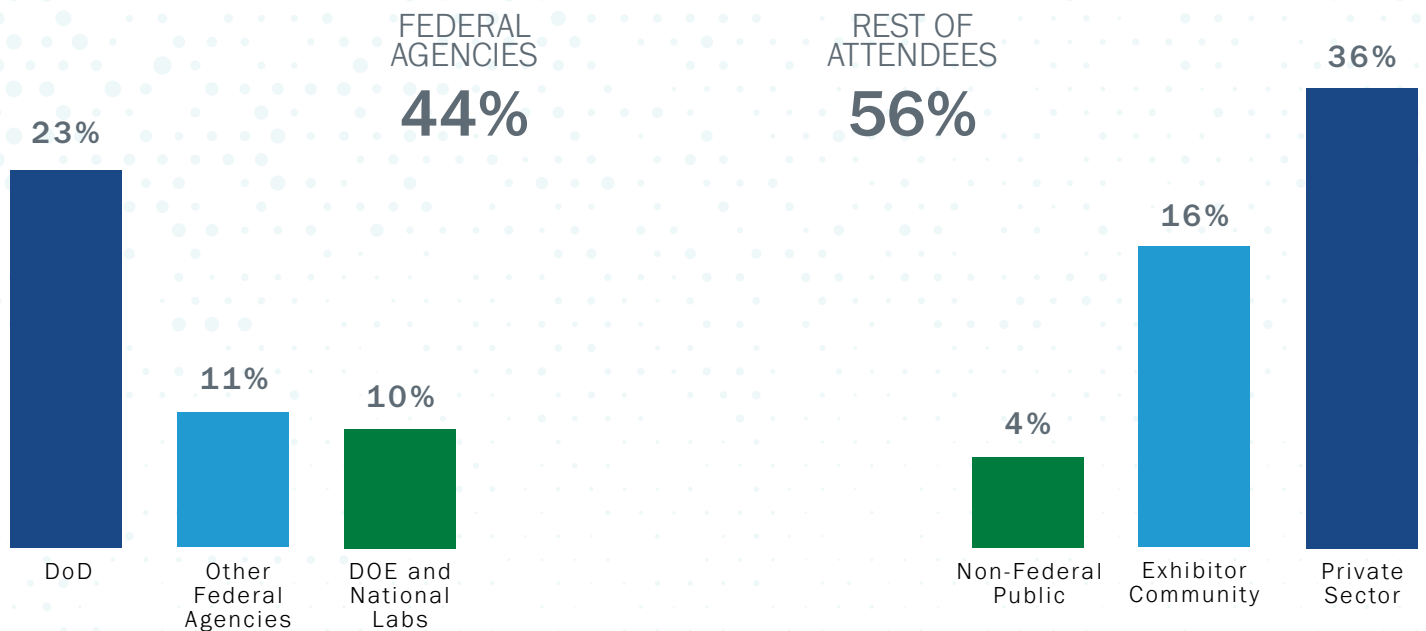

Attendees of the Energy Exchange have one thing in common: a need to conserve resources and improve project outcomes.

Federal, State, and Local government resource managers come seeking commercial, residential, and industrial solutions.

These professionals cover a variety of project management disciplines and include:

- Facility Managers
- Procurement Officers
- Financial Managers
- Fleet Managers
- Building Commissioners
- Attorneys
- Water Managers
- Project Implementation Specialists
- Engineers
- State Resource Managers
- Energy Auditors
- Research, Design, and Development Professionals
- City Planners
- Compliance Managers
