## BE EFFICIENT AND RESILIENT

AUGUST 20 - 22, 2019

Energy Exchange 2019 is a cost-effective, agency-driven training event for the federal energy management community. This year's theme – **Be Efficient and Resilient** – emphasizes the pathway and desired end state of federal energy and water management.

## COME TO ENERGY EXCHANGE 2019 TO SUPPORT:

### AGENCY GOALS

Agency leadership engagement outlines priorities to staff and stakeholders.

*Attend agency-specific meetings and policy update sessions, including White House priorities and leadership roundtables*

### MISSION READINESS

Agencies coordinate across federal government on integrated portfolio planning, cost-effective operations, cost and waste reduction, and advanced technologies and resilient projects

*Hands on Peer-to-Peer Learning and Collaboration with Solution Providers*

### WORKFORCE DEVELOPMENT

For continuing education, professional certification retention, and future-focused skills training.

*Cross-training sessions tackle the evolving and dynamic nature of energy and water management*

## TRAINING FOCUS AREAS

IMPLEMENTING FEDERAL POLICY AND PRIORITIES

INTEGRATING RESILIENCE AND DESIGN FOR AGENCY MISSION

OPTIMIZING BUILDING MANAGEMENT & MAINTENANCE

UTILIZING EFFICIENT AND SECURE TECHNOLOGIES

LEVERAGING AFFORDABLE FINANCING AND PARTNERSHIPS
